“We love the hip and bright pop art graphics. Lichtenstein would approve.”

“Kevin Somers’s bold, simple illustrations represent numbers one through ten using familiar images. Author Puck explains the book’s contents [in English and Spanish], neatly sidestepping interborough rivalry.” —**Time Out New York Kids**

"These board books are super-quick reads with all pictures and numbers. Perfect for teaching my 2 year old to count." —classymommy.com

Introducing *123 Chicago*, a new board book that takes the youngest readers on a cool trip through the windy city while practicing essential number skills.

Kids will count to 10 using some of Chicago’s most beloved symbols— The Sears Tower, the El train, Fireworks on Navy Pier, Chicago Style Hot Dogs, Deep Dish Pizza—in this board book featuring contemporary illustrations, dazzling colors, and a bold, clear design. The end of the book includes a complete location list, in both English and Spanish, to help parents locate the symbols and landmarks and plan an entertaining trip to Chicago.

123 Chicago is part of the Cool Counting Books series, which includes *123 New York*, *123 California*, *123 Texas*, and *123 USA*
