## SOUNDS FUNNY!

“With simple storytelling and strong graphic design, *Sounds Funny!* is a board book that’s sure to keep the little ones entertained.” –**Joe Kelly, writer, Superman and X-men.**

Introducing *Sounds Funny!*, a seriously wacky board book that takes the youngest readers to the world of comic sounds.

A car goes vroom, a dog goes woof, and a bubble pops! Sounds are all over, and kids will love to imitate them with this book that uses some of the most appealing elements of comic books and pop art, such as simple panels and intense primary colors.

Imitating sounds is an important element of language development, and this sturdy board book presents a cause-and-effect scenario (cause: an airplane takes off; effect: the plane goes “zoom”) that will introduce young readers to the wonderful world of sounds in a fun and appealing way.

*Sounds Funny!* is giggling reading for kids and parents alike.

**Kevin Somers** is an author and artist who has worked in comics, animation, fine arts, and publishing for more than 15 years. He is the author of *Meaner Than the Meanest* (Hyperion, 2001). Kevin lives and works in New York.
